GIFT CARD

HELP YOURSELF AND OTHERS WITH ADDICTION

Patients taking Vivitrol or Suboxone wanted for a genetic study

WHY PARTICIPATE?

- Receive a pharmacogenetic (PGX) test at no cost
- Receive a \$30 gift card
- Help the medical community better understand how to customize medications for addiction treatment

WHO IS ELIGIBLE?

- 18 years of age or older
- Have not had genetic testing for medications before
- Have been taking buprenorphine (Suboxone) or naltrexone (Vivitrol) for 6 months or longer

WHAT DO I NEED TO DO?

- Meet with medical staff for a cheek swab
- Answer a brief questionnaire

CALL 269-808-1517 TO FIND OUT IF YOU ARE ELIGIBLE
